DEPARTMENT CIRCULAR

No. 2022 - 0182

FOR : ALL CHIEFS OF LEVEL II AND III MEDICAL CENTERS, HOSPITALS, SANITARIA, EXECUTIVE DIRECTORS OF SPECIALTY HOSPITALS; AND OTHERS CONCERNED

SUBJECT : Amendment to the Weekly Submission of the Inventory and Consumption Reports of Medicines used for COVID-19 Management

The Department of Health (DOH) has observed that the cases of COVID-19 in the Philippines have continuously decreased for the past few weeks. In light of this, the DOH is looking at the possibility to ease the frequency of its requirements of submitting reports from the stakeholders but with the consideration that the check and balance are still in place to respond swiftly to any potential threats brought about by the COVID-19 virus.

In that regard, the weekly submission of all health facilities reporting their inventory status and consumption of COVID-19 medicines in the Pharmaceutical and Management Information System (PMIS) is hereby amended from a weekly reporting into a monthly reporting. Hence, the report shall be submitted **on the 1st Tuesday of each month, on or before 5:00 pm**. The data collected from PMIS will be used to monitor the status of supplies at the ground level and to report any concerns that will be seen to the Response Cluster and Inter-agency Task Force for their guidance and appropriate action.

For any concerns or clarifications, please coordinate with Mr. Zheric Johnden Niño Dizon through email at pmds@doh.gov.ph or telephone number (02) 8-875-7734 local 253.

For your compliance. Thank you.
